VBS AWANA Grand-Prix-style, hosted by the Christ Fellowship Bible Church, will be a fantastic way for your Pre-K to Middle School-aged child(ren) to get into high gear for the summer! Your child will spend this VBS week learning how to know, love, and serve the Lord Jesus Christ as they study bible verses centered around running the Christian race. In addition to digging into God's Word, each child will experience the excitement of creating their own AWANA Grand Prix Derby Car. The final night will be completed with a family dinner and Grand Prix RACE! We look forward to meeting you and your child(ren) at the raceway!
